New World Order on Fox News,  
with Laura Ingraham

"Klaus & the Gangs Greatest Hits are only popular among a small slice of left-wing fanatics and elites who fly into Davos to virtue signal, on the way to the caviar and cristal..

**No Free Press Anymore.**

Joe Manchin argues against the First Amendment at the World Economic Forum meeting in Davos:

"The problem we have is the open press system and basically all the platforms."

**Máxima's Fake Coin #CBDC.**

Meanwhile, in #Davos ..... Our national pride #Máxima makes a case for the fake coin #CBDC . Full of passion. And that without any mandate. Contrary to the agreements that the Royal House should not interfere in politics. Like she did before. And that completely free of charge. Sweet right? Watch.

CBDC = Central Bank Digital Currency = Social Credit System China 2.0

**Transhumanism is NOT the Holy Grail!**

Eva Vlaardingerbroek: We should resist the [#WEF](#) 4th Industrial Revolution that people like [#KlausSchwab](#) propagate at all costs. Transhumanism will alter human nature forever, granting those in power the means to enslave us on an unprecedented scale. We are created in the image of God. Don't mess with it. **In the Image of God.**

We don't Bend, we rather Burst !!

Shadrach, Meshach, and Abednego: Mr king Nebuchadnezzar

#KlausSchwab: We will not worship your gods. And we won't bow to the golden #WEF image you've put up either.

I woke up this morning with the story of the Nebuchadnezzar's Golden Image in relation to the #WEF in my mind.
